

Seniors will no longer fall into the doughnut hole.

Our youth will be able to stay on their family policies until they are 26. And small businesses will see significant savings in health insurance costs because they will purchase insurance with the same price advantages as large businesses. And many small businesses will receive temporary tax credits.

That's what is in the bill, and it is more than paid for. The CBO projects significant savings for the first 10 years, and huge savings for the next 10 years.

Mr. Speaker, future generations will look back at the votes we cast today, just as today we look back at the votes on Social Security and Medicare. Those future generations will see that

we proudly voted in favor of health care for all.

Mr. CAMP. Mr. Speaker, for the purposes of a unanimous consent request, I yield to the gentleman from Colorado (Mr. LAMBORN).

(Mr. LAMBORN asked and was given permission to revise and extend his remarks.)

Mr. LAMBORN. Mr. Speaker, I rise in opposition to this flawed health bill.
